

WHAT MAKES THE STRONACH ACADEMY UNIQUE?

Unlike traditional business schools, The Stronach Academy doesn't just teach theory – it provides real-world, experience-driven knowledge based on Frank Stronach's own success formula.

Instead of advising entrepreneurs what to do, the Academy offers insights from Frank Stronach's vast business experience across industries such as automotive, retail, entertainment, food services, agriculture, and sports management. His guiding principle has always been:

MAKE A BETTER PRODUCT FOR A BETTER PRICE.
